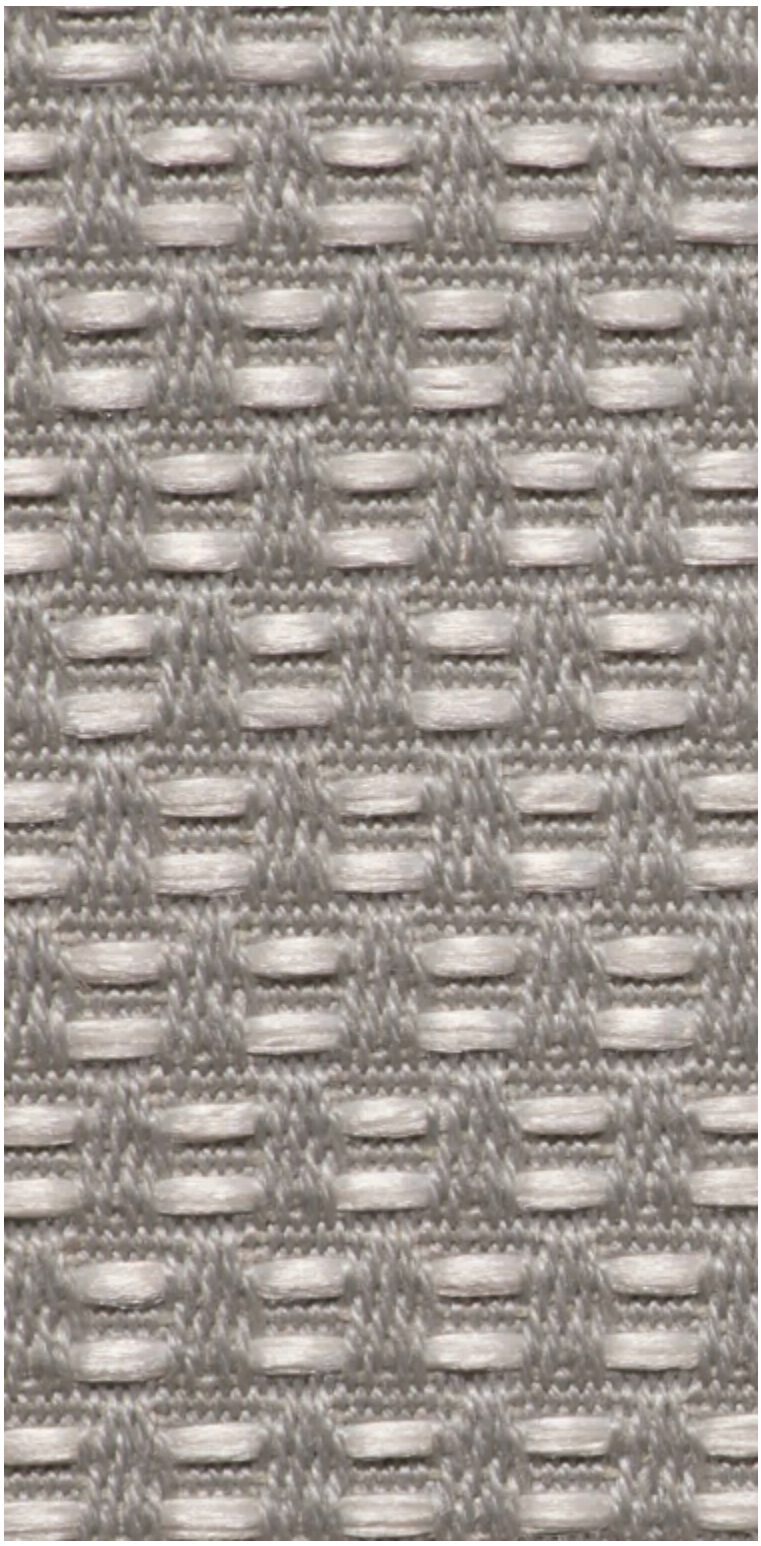
NATTO - PERLE

4227-07



Natural and sophisticated at the same time, NATTO was born to love upholstery. The structure is well constructed and light is reflected through a weft of double raffia-like thread. The colour tones evoke delicate oxidations and natural plant shades. 14 colours for this practical fabric to combine easily with the classic and contemporary designs in our collections. The finely stitched appearance is matched with 50,000 Martindale strength and an incredible resistance to pilling.
