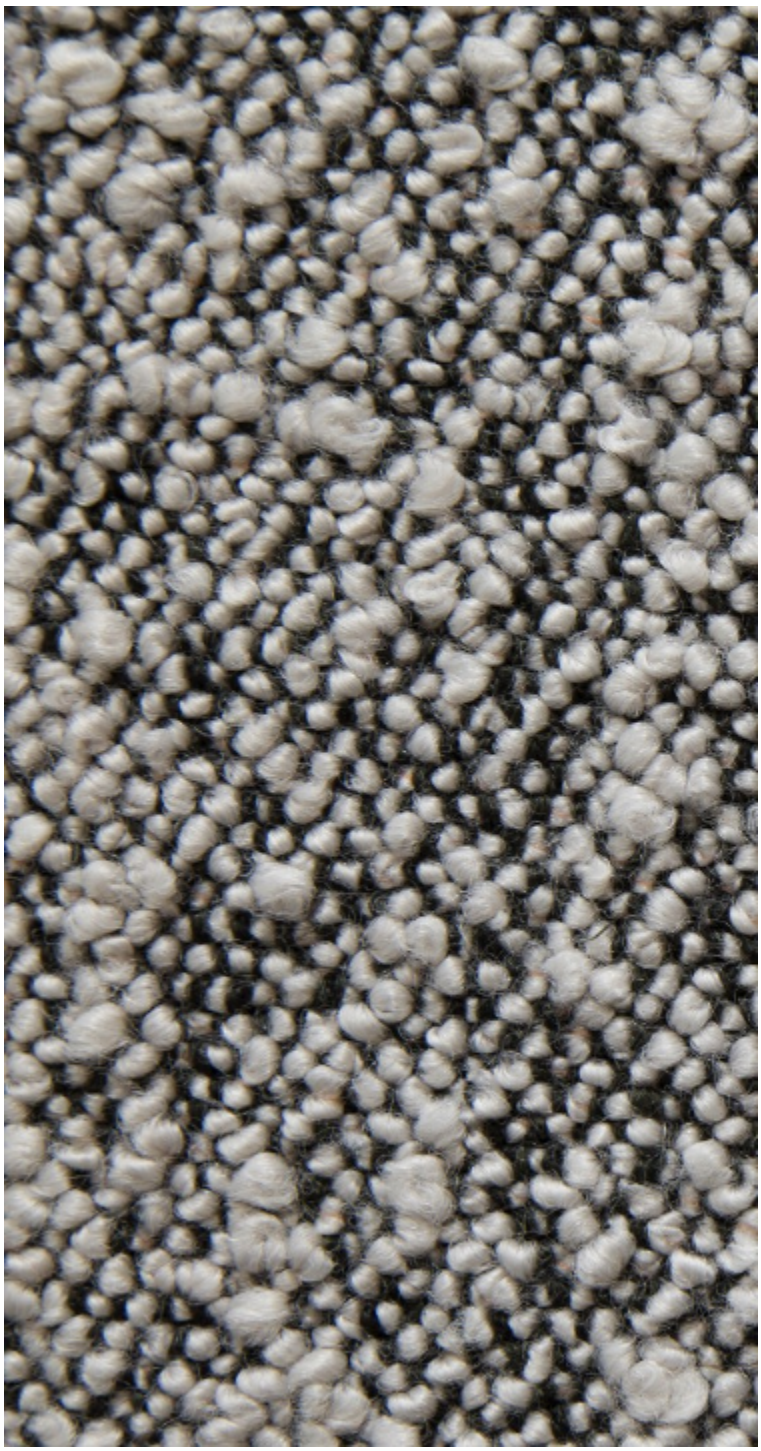
LAMA - GRANIT

0565-03



A force. Nature in the raw, without compromise but with a soft elegant feel. While keeping the material pure and well balanced, the virgin wool colors, the irregularity of the fibers from the woven cocoon. Round, supple like the caress of a wild animal tamed for a brief moment.

Collection	EVASIONS
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Plain material
Composition	Wool 38Viscose 29Linen 14Cotton 11Bamboo 4Polyamide 4%
Width	130 cm
