

SULTAN - GRÈS

0220-14

Velours M1 teint en pièce avec un bel aspect soyeux. Il a une bonne résistance pour le siège, une souplesse et une fluidité naturelle pour un usage rideau. Sa large palette de 27 couleurs est un équilibre de tons neutres, de nuances douces et de teintes foncées permettant de créer des ambiances raffinées, des associations subtiles dans des univers à la fois classiques et contemporains.
