

## SATELLITE – CUIVRE

0245-06

Satellite est un faux cuir avec une surface lisse métallisée et irisée. Ses reflets se déclinent dans une gamme de couleur intemporelle, pour une référence unie qui joue au gré de la lumière. Satellite est conforme aux normes non-feu européennes, (EN1021 part 1&2) et IMO et présente une grande solidité face à l'abrasion, tout comme une grande simplicité d'entretien. Satellite remplace notre article « Solo » (0235).
