

TAILOR M1 - ANTILOPE

4231-01

Raffiné et intemporel, ce chevron d'aspect très naturel est le fruit d'une mise au point minutieuse. La recherche d'un équilibre harmonieux entre structure, échelle et performances a trouvé son expression dans cette belle matière pleine de caractère. Une palette de 27 coloris décline une large gamme de tons neutres inspirés du vestiaire masculin, agrémentée d'accents vifs et toniques. Son utilisation multiple permet l'habillage d'assises ou de fenêtres dans un esprit chic et bien ajusté.
