LES ANANAS (1501) is a signature pattern first created by order of King Louis XIV, which has become a classic in the history of French home decor. Its expand includes two new colourways. The contemporary quality and elegant feel of the new Opal and Nacre colourways will provide a source of inspiration for interior designers looking for sophisticated accents to add to interiors with minimal decor. As well as those looking for gorgeous elements to design an atmosphere centred around light and the unique characteristics of silk fabric and regal patterns: vivid colours, exquisite details, rich patterns and light reflections.
