

LOUIS-PHILIPPE-POURPRE

1653-01

A Rococo style brocatelle, typical of the taste of the second half of the 19th century. During this period the styles of the past were reinterpreted. The large shell and floral motifs are highlighted with small details to give it the style characteristic of the 19th century. This fabric reflects the wealthy, bourgeois spirit reigned over by King Louis-Philippe, known as the "citizen King".
