

CERNUSCHI-IVOIRE

1655-07

In the style of Viollet-Le Duc and Edouard Lièvre. A marvellous, richly coloured lampas, like a cloisonné of foliage scrolls, arabesques, neo-Gothic and Chinoiserie style motifs. The colours glow in combinations characteristic of the Napoleon III period with intense dark, or more subtle elegant grounds.

Collection	PATRIMOINE
Brand	TASSINARI & CHATEL
