

ARGENSON-IVOIRE *

1657-01

This is a large damask in the Louis XV style depicting a tree of life of Eastern inspiration. The refined motif of flowers with delicately curled petals and foliage gracefully attached to a climbing branch shows how the elegance of the court influenced the decorative arts of this period. The beauty of the colours explodes in strong tones of ruby, gold, amethyst, bronze and more subtle shades of nattier, puce... with an almost metallic reflective quality.

Collection	PATRIMOINE
Brand	TASSINARI & CHATEL

TECHNICAL DATA

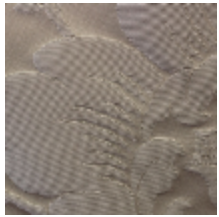

Type	Damasks & Lampas
Composition	Silk 100%
Width	130 cm
Repeat cut	No
Vertical repeat	75 cm
Half drop match	No
Care	  
Uses	   
Weight / Linear metre	190 g
