TOLEDE - ENCRE

1693-01

Tolède is a Moorish style lampas in gold, blue and red on a deep amethyst satin ground with compositions inspired by the Arts Décoratifs de l'Orient movement and designed around 1860/1865. The radiant arabesques are vibrant contrasting with the ironwork and illuminated motifs. There are more documents from this genre in the archives of Tassinari & Chatel.

Collection	PATRIMOINE
