

TULIPES - ORAGE

1695-06

A delicate parterre of stylised tulips adorns the surface of this velvet, while the restrained and well-balanced arrangement is in the Art Deco spirit. The smooth frosted appearance of the pile is enhanced in colors subtly oxidised by threads of lurex at the base of the velvet. The 6 dense and luminous colorways will enhance both classic and contemporary furniture.

Collection **PATRIMOINE**

Brand **TASSINARI & CHATEL**
