

**PLANETE - BORDEAUX**

0247-13

A plain that comes in a very attractive range of subtle colours. Its perfect mattness and fine texture gives it the appearance of real leather. It could easily be mistaken for the real thing! 'Planète' is M2 + EN 2012 parts 1 & 2 and IMO flammability rated and is both robust and very easy to clean and maintain. 'Planète' replaces our 'Velin' product (0244).
