LELIEVRE
PARIS

The LAGUNE jacquard captures the subtle beauty of the channels traced in the sand beneath the water, discreet imprints of the movements of the current. With its iridescent background, the fabric evokes the play of light and shadow where each wave shifts the shapes of the sand.This fabric, although non-reversible, features an elegant reverse side that blends seamlessly into your projects.

Collection	METAMORPHOSE
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Jacquard
