PHENOMENE - CYPRES

3236-03

PHÉNOMÈNE is the image of a plant gently spreading out in the water, blurring its contours. Capturing the shifting beauty of nature, this modern ikat water flower pattern embodies a process of transformation, where each element blends into the next. This fabric, although non-reversible, features an elegant reverse side that blends seamlessly into your projects.

Collection	METAMORPHOSE
Brand	LELIÈVRE PARIS

TECHNICAL DATA

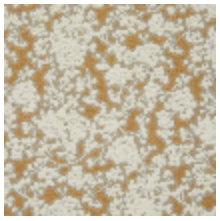

Type	Jacquard
