

**KHAIMA M1 - TERRACOTTA**

3265-04

KHAIMA (the Arabic word for the 'tent' traditionally used by nomads travelling in the desert) is the only high-performance material in the collection - a natural and soft touch polyester fabric. From beige to navy to terracotta, KHAIMA is available in six colourways that share the same earth-toned base woven with pyramid-shaped motifs. | Design: Tristan Auer
