

LELIEVRE

PARIS

COSMOS - NAUTILUS

0383-26

The velvet-making expertise of Maison Lelièvre makes this basic cotton velvet extremely versatile. A dense, close pile gives it a light, creamy feel. A very short shaved pile gives it a matt sheen and beautiful suppleness. It has a rare asset: it's washable. In every way, it's the essential new palette for coordinating with all our collections. The neutrals are elegant and nuanced, while the darks are intensely coloured and contemporary.

Collection	ESSENTIEL 2013
------------	----------------

Brand	LELIÈVRE
-------	----------

TECHNICAL DATA

Composition	Cotton 95% - Polyester 5%
-------------	---------------------------

Width	140 cm
-------	--------

Repeat cut	No
------------	----

Drop match	No
------------	----

Care	   
------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Uses	  
------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

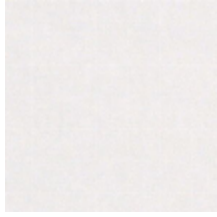

Martindale test	30 000 T
-----------------	----------

Weight / Linear metre	540 g
-----------------------	-------
