

**SCULPTURE - CELADON**

4032-04

Sculpture is a key design of the collection. A jacquard, woven in France at Lelièvre's mill near Lyon, featuring a graphic and vibrant ikat design, with a modern touch. Its polyamide and cotton warp with a linen weft offers a texture enhanced by its interplay of weaves, for a magnificent, heavy and supple drape. Its soft colouring is different to the iconic traditional ikat, adding a new and contemporary twist.
