4141-01

Gordes is a small-scale faux-uni damask that features a detail from the Grambois design (Ref. 4140). The pattern has a weft-effect appearance with a matte finish, giving it a contemporary feel. The predominant mottled satin used in its composition also lends it a classic touch. Available in the same colour range as Grambois (Ref. 4140) and coordinates well with Lourmarin (Ref. 4139), Merindol (Ref. 4142), and Prélude (Ref. 4204).
