ASTRAL - LUNE

4229-02

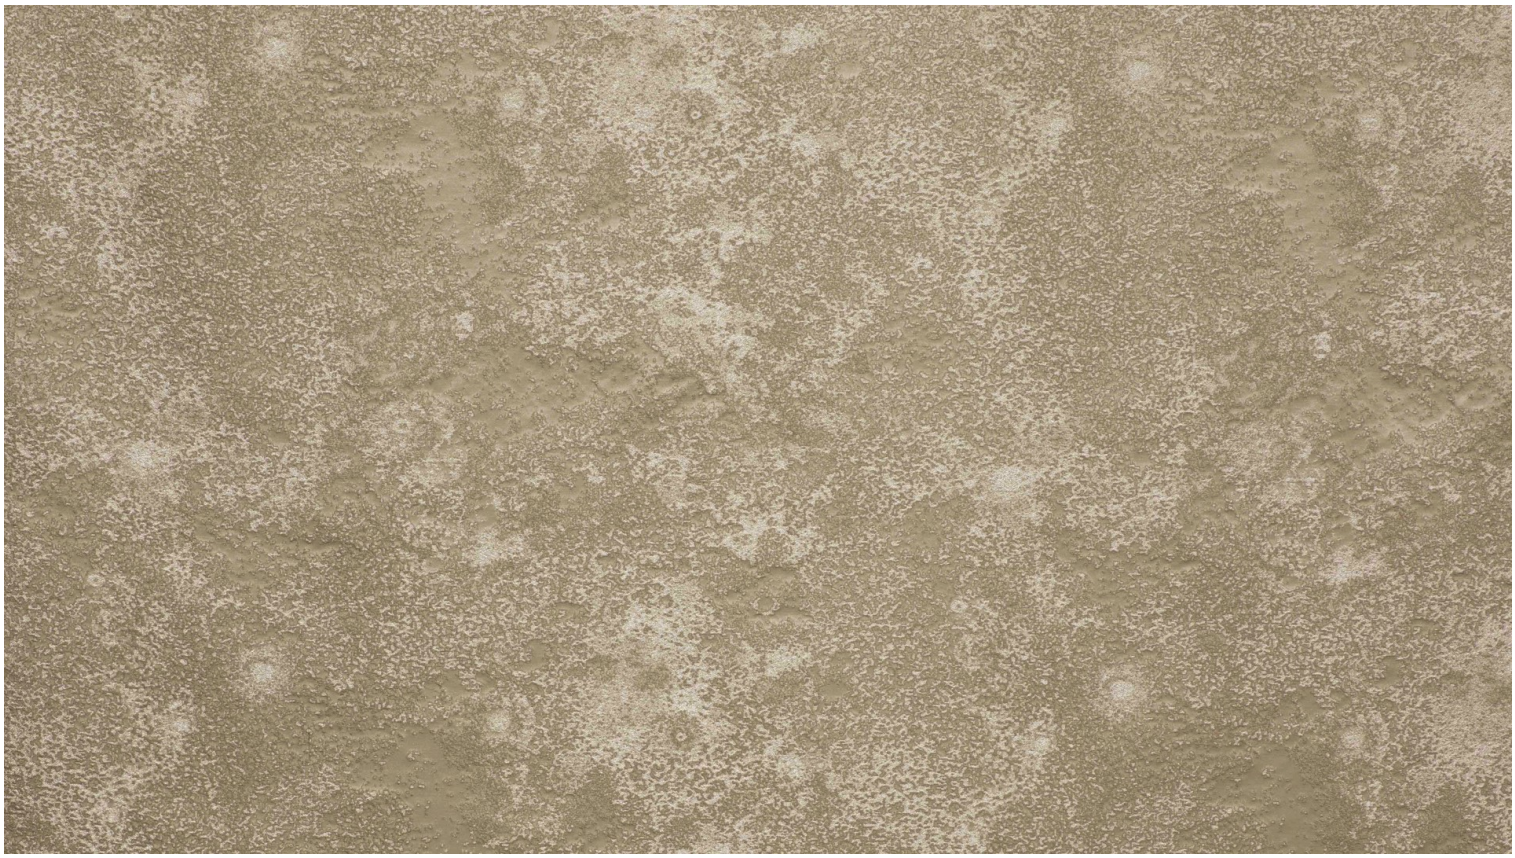

The influence of the Milky Way and ceramics provided inspiration for this fabric. Between heaven and earth this jacquard visits the elements for a surprising design. A metallic weft yarn creates textural relief on the surface while another shows the motif in a color. Three sophisticated variations for use as curtains, wall panels or accessories.

Collection	L'ART ET LA MATIERE
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Damasks & Lampas
Composition	Polyester 68% - Cotton 32%
Width	131 cm
Repeat cut	No
Vertical repeat	47 cm
Horizontal repeat	65 cm
Half drop match	No
Care	
Uses	
Weight / Linear metre	405 g
