# VILLARCEAUX - IVOIRE

4237-01

Built in the middle of the 18th century, the Château Haut de Villarceaux is one of the most beautiful Louis XV-style buildings. The richness and diversity of its remarkable gardens inspired the name of this cotton and viscose damask, sprinkled with delicate country bouquets. The staggered rows of motifs are expressed in beautiful classic tones. Balanced shades and elegant neutrals make up the palette used for this damask, woven entirely according to French tradition.
