

CALANQUES - CELADON

4238-03

A wild and mountainous landscape The view of steep cliffs disappearing into the horizon, illuminated by the sun or the moon. Valleys meeting mountains, creating soft peaks, bathed in light. This scenery directly inspired Calanques, a lampas made in our weaving workshops in the Loire. A fine silk-like weave offers a soft and elegant drape, while the threads of linen and cotton give a natural handle to this curtain.
