

LELIEVRE

PARIS

ORÉE - PERLE

4246-03

Boasting a beautiful balance between elegance and comfort, this fabric has distinctively rounded and textured features. A weft made of undulating linen and cotton threads crosses a finer cotton warp, creating a surface peppered with matte beads. Woven in our workshops, Oree will add style to contemporary or vintage seating.

Collection	NATURE PRÉCIEUSE
Brand	LELIEVRE
