DALAÏ - SOLEIL

4252-02

LELIEVRE
PARIS

This design is symbolic of the collection and has been developed and woven in France in our workshops. This big lampas composed of geometric shapes reinterprets the traditional headdresses of Tibetan monks. The weave accentuates the contrasts in the pattern for graphic and contemporary home accessories. It is available in 3 colourways, from classic to bolder shades, for use in upholstery, curtains and home accessories.
