

LELIEVRE

PARIS

LANDE - INDIGO

0564-01

Lande has a natural look and feel. The material has mixed weft yarns in a fine warp structure of superimposed diamond shaped motif. Hardly visible, this ligature in the geometric fragments shows matt finesse and refinement, bound like a vegetal fiber. 4 soft colorways, with intense earth and stone tints and a beautiful blue like natural indigo. For upholstery, curtains, wall coverings and accessories.

Collection	EVASIONS
