

LELIEVRE

PARIS

LAMA - CRAIE

0565-01

A force. Nature in the raw, without compromise but with a soft elegant feel. While keeping the material pure and well balanced, the virgin wool colors, the irregularity of the fibers from the woven cocoon. Round, supple like the caress of a wild animal tamed for a brief moment.

Collection	EVASIONS
------------	----------

Brand	LELIEVRE PARIS
-------	----------------

TECHNICAL DATA

Composition	Wool 38% - Viscose 29% - Linen 14% - Bamboo 4%Polyamide 4
-------------	---
