## LAMA - NATUREL

0565-02

A force. Nature in the raw, without compromise but with a soft elegant feel. While keeping the material pure and well balanced, the virgin wool colors, the irregularity of the fibers from the woven cocoon. Round, supple like the caress of a wild animal tamed for a brief moment.

Collection **EVASIONS**

Brand **LELIEVRE**

### TECHNICAL DATA

Composition **Wool 38% - Viscose 29% -  
Linen 14% - Bamboo  
4%Polyamide 4**
