QUADRILLE - BRUN

0569-01

Sober and delicate, this small Jacquard design still bears the mark of our historic French craftsmanship. Constructed as a brocatelle with a linen thread to give relief, the cotton warp is illuminated with a subtle grid adding depth to the fabric. A partner for all our lampas and damasks, for upholstery, wall coverings and elegant curtains. The delicate colors echo the classics while the neutrals provide finesse tomore contemporary decoration.
