PAISLEY - FAÏENCE

0582-04

This paisley is an interior design classic and the result of incredible detailed weaving. Its short warp makes it an ideal choice for seating. The lavish and natural material offers softness and comfort, like a beautiful shawl. The light brings a delicate sense of shape to this design, giving depth and balance to the 4 different variations. An invitation to travel across the great plains of the East.

Brand	QUENIN
