LELIEVRE
PARIS

Inspired by the prayer wheels in Buddhist temples, this design on a woven ground is enriched with hand-painted metallic planes of colour. This luxurious, delicate fabric is elevated by this artisanal touch, turning every metre of this material into a unique piece.Lhassa is available in 4 colourways, in more contrasting, denser tortoiseshell colourways as well as more current terracotta shades up to soft and luminous celadon.This fabric is recommended for curtains and wall hangings.
