# LELIEVRE

PARIS

Inspired by the mountain summit of the same name, this viscose jacquard velvet with its dense and generous pile and silky touch is one of the key pieces in the collection. Its strong motif is achieved through an ikat style structured by stripes that open up into a half drop repeat. It is available in 4 colorways: an on-trend terracotta, a more contemporary deep blue, a dense and chic contrasting tortoiseshell colorway and lastly a luminous frosted grey.
