## TAÏGA - PERLE

0638-04

This gorgeous broadcloth is a first for Lelièvre Paris. A chic and timeless essential, it comes in a very broad palette of 23 colourways. From old greys, a number of earth tones, classic and elegant chocolate and camel tones, to indigo blue and a deeper aubergine shade... The whole range is suitable for seating upholstery and curtains and is easily paired with all other fabrics from the BOREALIS collection.
