

**FORÊT - MESANGE**

6451-01

Inspired by MERLIN, a tapestry from the Signature NATURE PRECIEUSE collection, this wallpaper is a perfect depiction of an enchanted forest. The slow trickle of a waterfall, the babbling brook, the opening of a clearing - every detail catches the eye. This embossed vinyl features contrasting shades that blend together into a radiant composition. A graphic combination of effects and texture, with colours tainted by the cold light of the blue hour at nightfall.
