## EMAIL - GRAPHITE

6461-03

A motif inspired by the original work of Jean Cocteau "L'Esprit minéral" of 1962, a 33 cm diameter plate in red earth with anthracite grey engobe, white oxide pencil, encrusted with coral, yellow and brilliant night blue enamels. Its geometric forms offer a nice matte/shiny contrast that reproduces the look of the original ceramic. This ultra graphic wallpaper was created in rotogravure on non-woven backing.
