FIGURE D'ANGE - CELADON

6466-03

A fresh and delicate all-over motif that is very representative of Jean Cocteau s work. He frequently evoked the human need to attribute a human face to the absolute, particularly through the use of angelic representations. This wallpaper is created in silkscreen on non woven backing with a matte finish. A slight relief along the line of the angel contrasts with an elegant glittery light on the small background pattern.
