

POTERIES - TERRE CUITE

6467-01

Large illusion motif with a selection of ceramics and pottery typical of the work of Jean Cocteau. All the works represented form part of the some 300 pieces created by Jean Cocteau at the Madeline-Jolly pottery in Villefranche-sur-Mer from the end of 1957 until 1963. This wallpaper is digitally printed on a vinyl backing with a slightly grained embossing with a matte finish. The two colours do not show the same works.
