TAPIS FLEUR NUDE

6551-02

Evoking delicacy and natural beauty, the 'Fleur' rug designed by Jérôme Bugara Éditions features exquisite floral motifs woven with artistic precision, making it a centrepiece for your interiors. Each piece is composed of 5 shades to reflect the subtle and delicate nuances of a flower. The Fleur rug, in Original color, is inspired by the sublime Japanese Raku ceramic, and is available in 3 other shades with singular accents.
