

TAPIS LANDSCAPE NATUREL

6561-02

Designed after ALTUITUDE, the iconic tapestry from the Signature BOREALIS collection, this elegant rug depicts a winter landscape covered in morning frost, executed in eight coordinated shades of blue and blue grey, balanced with warmer tones of yellow, off-white and ochre. A play with matt and glossy finishes and textured effects provides a perfect evocation of frost-covered hills. Every piece is hand-tufted, combining thin loops to thicker, looser ones, with varying pile heights to underscore the contrasting features of the landscape, and a plain stretches of tuft that evoke vast flatlands.
