TAPIS PURRO TERRACOTTA

6861-01

GLAUKO, XANTHO and PURRO, the three rugs in the Finis Terrae collection, designed by Marco Lavit with the magic of ancient Mani in mind, the peninsula submerged in the sea to serve as the watershed between the Aegean and Ionian Seas. The rugs reveal a whole new dimension in depth and translate the end of a known world, when the land disappears into the sea, when the latter melts into the skyto form a single, mysterious and bewitching horizon. | Pile height: 10 and 12 mm | Technic: Hand tufted, cut, loop pile | Dimensions: 214 x 290 cm
