

CARRIERE - QUARTZ

0733-03

Like a slice of veined marble polished by craftsmen, the subtle wave design of CARRIERE is woven in rich heavy satin. Although using modern technical processes, the weave and shaded colour variations mimic the warp yarns in traditional hand weaving techniques. This fabric gives the optical effect of marble or stone, with the fluidity of the curtain creating curving columns.

Collection	COLLECTION 20
------------	---------------

Brand	LELIÈVRE PARIS CONTRACT
-------	-------------------------

TECHNICAL DATA

Type	Print
------	-------

Composition	Polyester TREVIRA CS 100%
-------------	---------------------------

Width	144 cm
-------	--------

Repeat cut	No
------------	----

Vertical repeat	106 cm
-----------------	--------

Horizontal repeat	140 cm
-------------------	--------

Half drop match	No
-----------------	----

Care	  
------	---

Uses	   
------	---

Martindale test	30 000 T
-----------------	----------

Weight / Linear metre	360 g
-----------------------	-------

Fire rating	M1 - IMO PART 7&8
