

LELIEVRE

PARIS

FREQUENCE M1 - CUIR

0734-01

Relief and rhythm characterise this fabric with a small design motif in 3 natural tones, reminiscent of exclusive luggage. A warp yarn imitates the contrasting wefts of a woven or ribbed ottoman fabric. Extremely strong for upholstery, reversible and supple enough for use as curtains.

Collection **COLLECTION 21**

Brand **LELIEVRE CONTRACT**

TECHNICAL DATA

Composition **Polyester TREVIRA CS 100%**

Width **137 cm**

Repeat cut **No**

Drop match **No**

Care 

Uses
