

**SILLON M1 - KAOLIN**

0737-01

Woven in a wide width, Sillon gives a nod to ethnic hand made carpet design with the use of a delicate unstructured trellis motif and shadow effects. The finely etched background conveys light in pearlescent, metallic or oxidised reflections in each of the 4 colorways. Offering sound insulation, elegant draping for curtains and stability for stretching.

Collection	COLLECTION 21
