

MARACAS - SANGUINE *

0751-05

Maracas is a colourful combination of matte chenille weft with a fine lustrous thread. The black thread creates a bold contrast between the colours and really finishes the fabric beautifully. The texture of the fabric itself is incredibly rounded and pleasant, whilst the range of natural and mineral shades offers both an ethnic and fruitful touch. Ideal for Hard-wearing chairs, curtains and accessories with touches of bold colour.
