

PARURE - HERON

0754-03

LELIEVRE

PARIS

For some, Parure evokes Art Deco arcades; for others, it evokes a distinct animal presence. Just as the light reflects from a bird's feathers or the scales of a fish, this fabric sparkles. Categorized somewhere between matte and shiny, this gentle round design opens up on a light background woven with fine threads. The chenille creates a lavish raised effect on this elegant range of neutrals. Ideal for curtains, chairs and accessories.

Collection COLLECTION 22

Brand LELIEVRE PARIS CONTRACT

TECHNICAL DATA

Type Jacquard

Composition Polyester FR 100%

Width 140 cm

Repeat cut No

Vertical repeat 8 cm

Horizontal repeat 6 cm

Half drop match No

Care    

Uses    

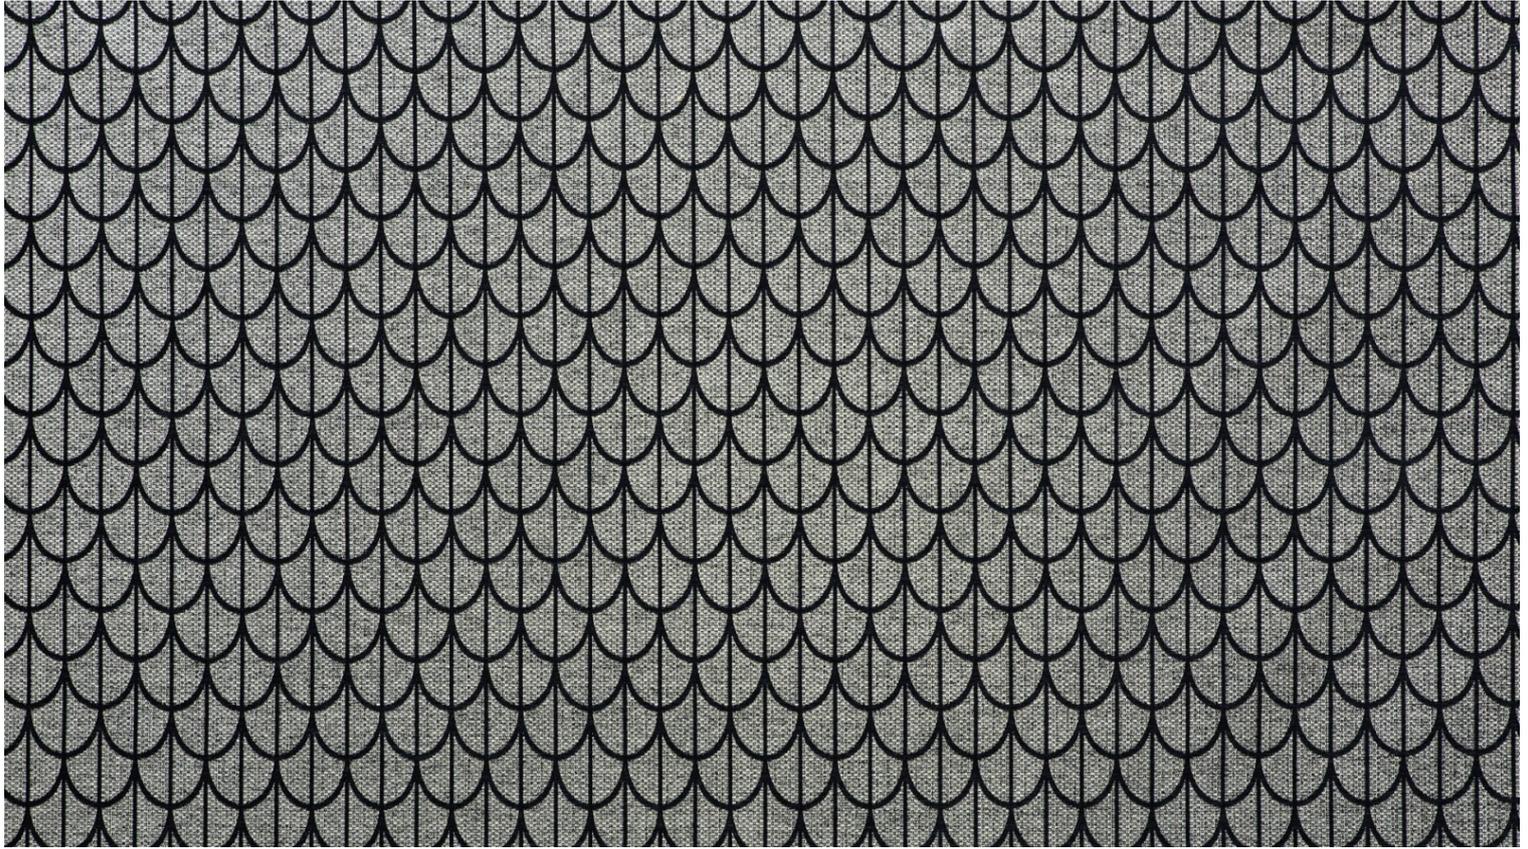

Martindale test 35 000 T

Weight / Linear metre 750 g

Fire rating M1 - IMO PART 8
