

PARURE - PLUME

0754-05

LELIEVRE

PARIS

For some, Parure evokes Art Deco arcades; for others, it evokes a distinct animal presence. Just as the light reflects from a bird's feathers or the scales of a fish, this fabric sparkles. Categorized somewhere between matte and shiny, this gentle round design opens up on a light background woven with fine threads. The chenille creates a lavish raised effect on this elegant range of neutrals. Ideal for curtains, chairs and accessories.

Collection	COLLECTION 22
------------	---------------

Brand	LELIEVRE PARIS CONTRACT
-------	-------------------------

TECHNICAL DATA

Type	Jacquard
------	----------

Composition	Polyester FR 100%
-------------	-------------------

Width	140 cm
-------	--------

Repeat cut	No
------------	----

Vertical repeat	8 cm
-----------------	------

Horizontal repeat	6 cm
-------------------	------

Half drop match	No
-----------------	----

Care	   
------	---

Uses	   
------	---

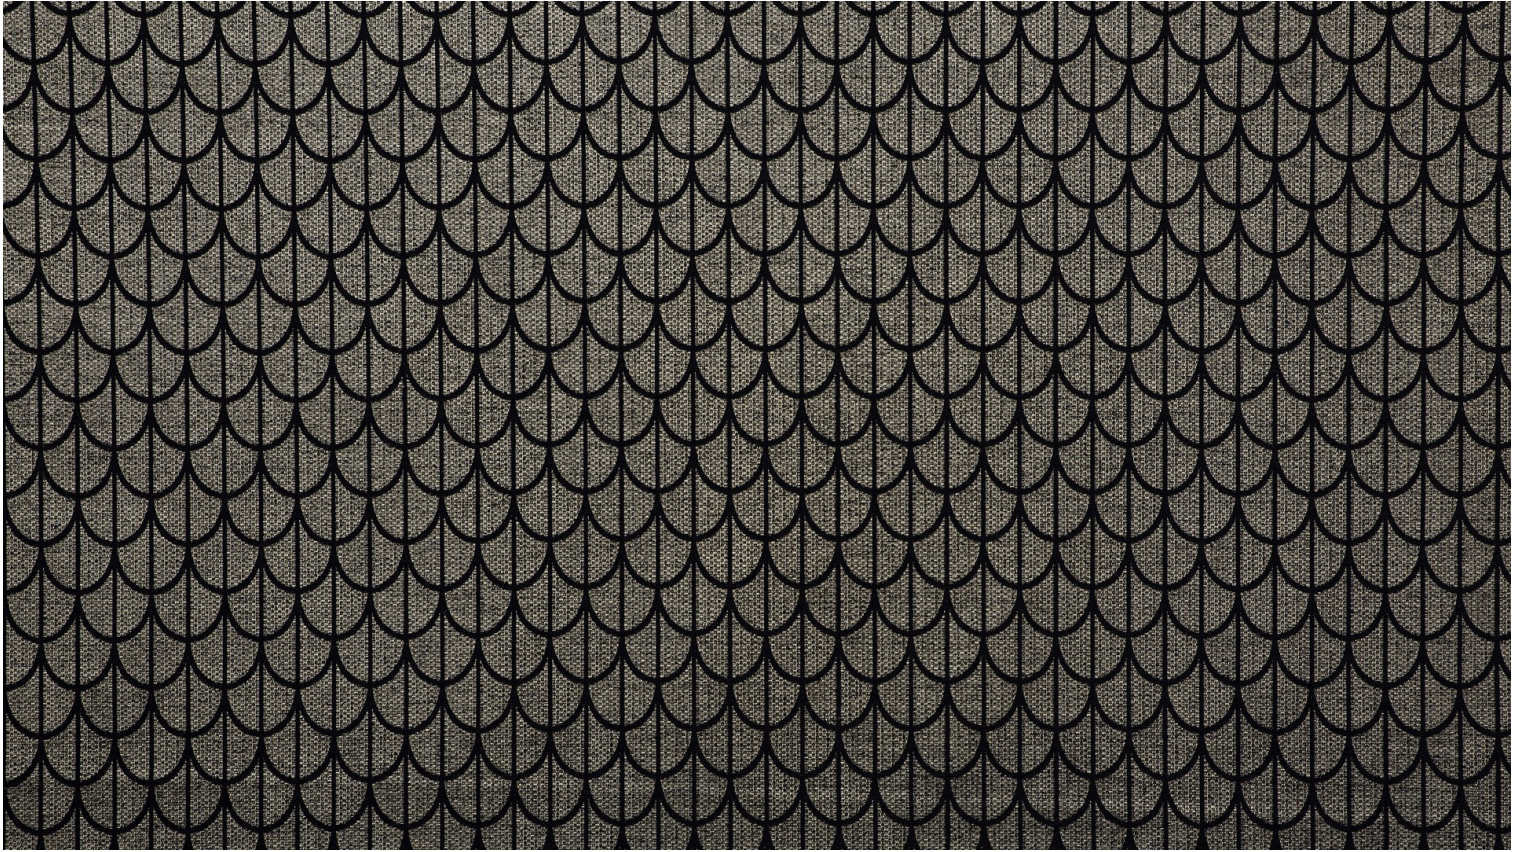

Martindale test	35 000 T
-----------------	----------

Weight / Linear metre	750 g
-----------------------	-------

Fire rating	MI - IMO PART 8
