

TWEED M1 - BRIQUE

0798-06

Tweed is a tone on tone a blend of 3 fibres coming together to add depth and movement to the mottled fabric. Points of light discreetly bring the ultra-natural looking surface of this fabric to life: it is inspired by traditional, masculine, British suits. Mainly designed for seating, Tweed also looks great as walling because of way it catches the light. Multiple uses, hardwearing seating, curtains and accessories.
