

**KHAIMA M1 - MARINE**

3265-06

KHAÏMA (la "tente" en arabe, traditionnellement utilisée par les nomades dans les zones désertiques) est l'unique tissu haute performance de cette collection, en polyester au touché doux naturel. Du beige au marine en passant par le terracotta, il est proposé en six coloris ayant en commun une base naturelle sur laquelle le fil construit des motifs pyramidaux. | Design : Tristan Auer
