

PIGMENT - ALEZAN

0559-10

La pureté de la couleur entre en vibration à la surface de cette veloutine microfibre d'une douceur extrême. Riche en pigments, les couleurs sont profondes, acidulées ou tamisées d'un voile givré. Une déclinaison de tons neutres intemporels les accompagne pour composer une gamme de 41 coloris au total. Idéal pour tous types de confections, PIGMENT est aussi lavable en machine à basse température et en cycle délicat.
