DAIM - OUTREMER

0603-13

Douceur et souplesse caractérisent cette microfibre unie réversible. L aspect daim de cette suédine généreuse se décline en 18 teintes poudrées pour des assises câlines ou des tentures au tombé parfait. Sa matité pommelée apporte une touche sensuelle et tactile au décor. Double face, cette étoffe permet une utilisation en tenture séparatrice structurant l espace.
