# LANA - QUETSCHE

0732-01

Lana est le fruit d'une recherche méticuleuse alliant performances techniques, toucher de laine naturelle et gamme colorée vibrante. Idéal pour le siège intensif, cette toile basique et chic à la fois nous transporte dans l'univers de la décoration scandinave. Le jeu de couleurs issu du croisement des fils de chaine et trame couvre une palette chromatique de 26 nuances ludiques et contemporaines.
