LELIEVRE

PARIS

TERRA embodies the essence of the Métamorphose collection. Inspired by an aerial view, this sublime, supple tapestry with relief, a beautiful drape and hand, reveals a natural tableau in perpetual metamorphosis. The channels of the rivers traced in the weave create an imaginary landscape that changes with the seasons, a representation of nature in motion. TERRA is an invitation to contemplate this moving world where each season reshapes the landscape.

Collection	METAMORPHOSE
